

# FREE PRINTABLE SAFE SUNSCREEN GUIDE

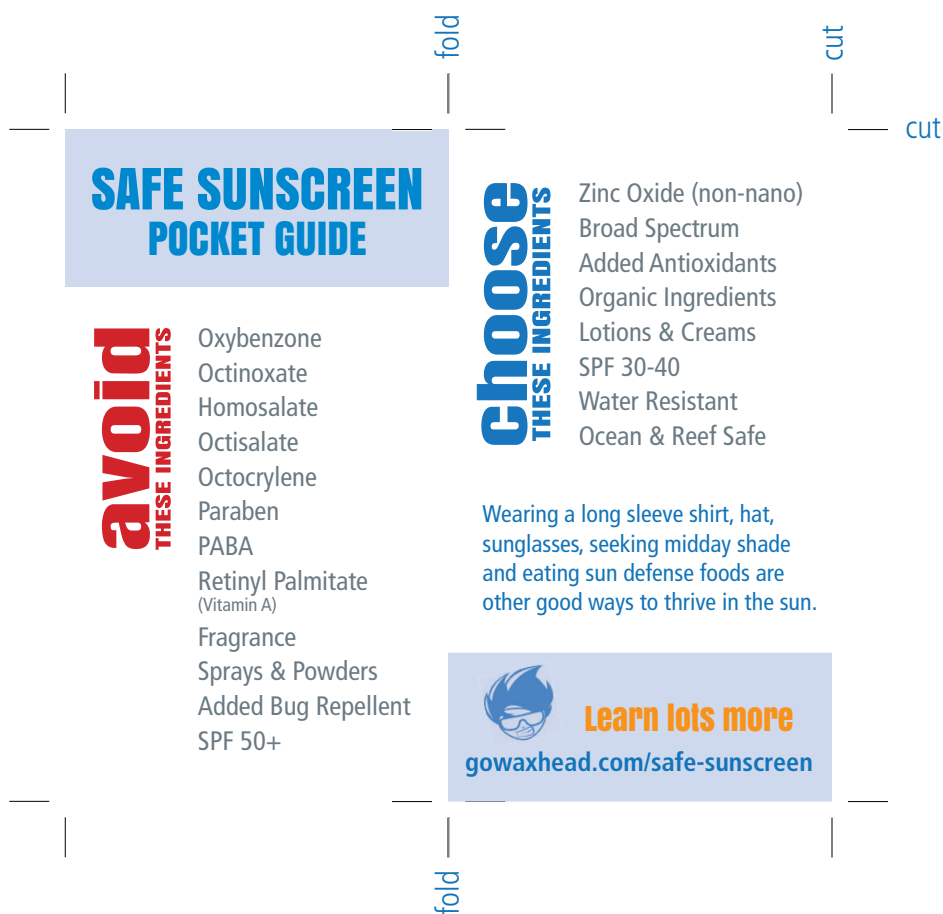

Print. Cut. Fold. Share.

## Thanks for downloading our Safe Sunscreen Pocket Guide!

Now you'll be able to find safe sunscreen wherever you live or travel. Keep it someplace handy, so you'll know which ingredients to Avoid and which ones to Choose. Don't forget to share with others!

### Directions

1. Print on card stock or regular copy paper.
2. Cut along the outer edges (be careful not to cut down the middle).
3. Fold along the center line, then laminate the entire (folded) piece.
4. Put card in handy location or give one to a friend.
5. Join us @gowaxhead on social media via Facebook, Instagram or Twitter.
6. Post how you're using your cool new info tool.
